

Privacy Policy

Frome Chess Congress is committed to protecting and respecting your privacy.

This policy explains when, how, and why we collect personal data about people.

Who we are

Frome Chess Congress is a Trust established to organise an annual Open Chess Congress on behalf of the Somerset County Chess Association.

How we collect your information

The only information we obtain about players in the Congress is provided by them directly. We do not collect personal data simply as a result of a person visiting our website.

How your information is used

The personal data we obtain is applied for the following purposes, namely to:

- Obtain payment of entry fees to fund the operation of the Congress.
- Identify players on the English Chess Federation (ECF) Website.
- Register players to play in the Congress.
- Submit results of games played to the ECF for grading purposes.
- Communicating with players for the purposes of running the Congress, including giving advance notice of details of the next annual Congress.

Consistently with this, the contact details provided to us by players may be used to contact them by mail, telephone, or e-mail for the purposes of the Congress.

We will hold personal data for as long as it takes to complete the organisational and administrative requirements of the annual Congress that the player has entered and for a reasonable time afterwards.

This data is held pursuant to the legitimate interests of Frome Chess Congress which is the basis on which your data as set out is processed.

Who can access information

Unless required by law, we do not sell, rent or otherwise share personal data with other third parties.

Rights

Players can ask for a copy of the data we hold about them. If a player or other person provides information about another player, it is their responsibility to ensure that the other player has given their explicit consent to the processing of their personal data.

Should you have any unresolved complaints about the way we process your personal data, you have the right to make a formal complaint to the Information Commissioner's Office (ICO).
